Prime Minister's Scholarships for Asia (PMSA) Group Awardees 2017-18 Round 2

Institution/ Organisation	Program Name	PMSA Programme
InternChina	Language, Culture & Internship Programme - China	<p>10 candidates drawn from across all New Zealand universities, to undertake a 10-week language, culture and internship programme in China.</p> <p>The initial 2-week phase will include Chinese language, cultural experiences & business visits whilst residing with a Chinese family. Following this, each participant will spend the remaining 8 weeks taking part in a full-time internship which is tailored to their interests and development goals.</p>
Otago Polytechnic	Design co-creation Project - Hong Kong and China	<p>10 candidates to undertake a 6-week Design Co-creation project in Hong Kong and Beijing, China.</p> <p>The Otago Polytechnic Prime Minister's Scholarship Asia 2018 programme provides a platform for senior design students to experience multiple collaborative cross-cultural opportunities in China. This programme builds on the learnings from a similar experience in 2017 and culminates in a co-design project with Chinese partner institutions and other Chinese-based collaborators.</p>

Lincoln University	Asian Agribusiness Summer School - China	<p>20 candidates to undertake a 6-week Asian Agribusiness Summer School in China.</p> <p>Students will spend the first three weeks in Yunnan Minzu University (YMU) and the last three weeks in Fujian Agriculture and Forestry University (FAFU). The students will learn Chinese language, culture and business practice. During this time students will interact with YMU and FAFU students who have strong interests in studying in New Zealand, attend guest lecturers given by prominent industry leaders, field visits (such as tea plantation, mushroom farm, Asian world largest flower markets, and wine making).</p>
Otago Polytechnic	Postgraduate Sport Practicum - China	<p>4 candidates to undertake a 6-week Postgraduate Sport Practicum in Shanghai, China.</p> <p>This programme is a collaborative physical conditioning group project that aims to connect emerging strength and conditioning coaches with the introduction of American Football in a Chinese Tertiary Institution whilst working on a cross-cultural collaborative sports training programme.</p>
University of Canterbury	UC - Internship Programme 2019 - Thailand	<p>14 candidates to undertake a 6-week Internship Programme to Thailand and Viet Nam.</p> <p>The programme provides students with international professional work experience alongside an intensive cultural immersion in Thailand. Students are placed in a Thai business or organisation, based in Bangkok, where they develop professional work skills, engage with cultural expectations, and participate in field trips and visits across Thailand and Viet Nam.</p>
Massey University	Global Studios Internship Programmes - India	<p>10 candidates to undertake a 6-week Global Studios Internship Programme in India.</p> <p>GLOBAL STUDIOS offers Indian internship opportunities for five design students to engage at Jaipur Rugs, an international award winning knotted rug company, and five at Bhusattva, a leading eco fashion company, in a six week period.</p>
Massey University	Massey-Bridging NZ and China 2	<p>15 candidates to undertake a 6-week Massey-Bridging NZ and China 2 to Beijing, China.</p> <p>This programme proposes sending 15 Massey University students to study Chinese Mandarin and to participate in a series of hands-on business activities for 6 weeks at Peking University, China. It aims to deepen the understanding and cultural, linguistic, and economic ties between New Zealand and China by offering New Zealand students first-hand language, cultural and business experiences.</p>
University of Canterbury	UC - NZ-Asia: The Future of Free Trade - China	<p>3 candidates to undertake a 6-week UC- NZ-Asia: The Future of Free Trade programme in China.</p> <p>The programme has been designed with three distinct research opportunities in China - the attendance by the selectees at the Postgraduate Research Workshop "The Future of Free-Trade Agreements in Asia" to be held as part of the European Union Studies Asia Pacific Association Conference (Shanghai, June 2019), participation at the Sichuan University Summer Immersion Programme, and completion of the International Summer Session at Fudan University. The New Zealand selectees will be tasked with working on practical research projects related to New Zealand's economic and trade agenda towards Asia.</p>

University of Canterbury	UC - Peking University Summer Programme	<p>10 candidates to undertake a 5.3-week UC- Peking University Summer Programme in Beijing, China.</p> <p>This programme will involve students undertaking a series of Chinese language and culture classes, as well as field trips to Beijing-based companies with a particular focus on the theme of innovation and entrepreneurship in the Chinese context and sites of cultural significance. The students will also conduct research in Beijing as part of a project for a New Zealand organisation, submitting a report and presenting the findings upon their return home to Christchurch.</p>
University of Canterbury and Global China Connection	Shanghai Shout Internship Challenge	<p>3 candidates to undertake a 9-week Global China Connection UC – Shanghai Shout Internship Challenge in Shanghai, China.</p> <p>The Shanghai Shout Internship Challenge (Shanghai Shout) is a competition coordinated by the Global China Connection (GCC) Canterbury at the University of Canterbury (UC). The Challenge requires students to prepare a business proposal or presentation that they believe will benefit a New Zealand company in its operation in China. The winners of this challenge will be awarded an internship at one of GCC’s partnered host companies with operations in Shanghai: Fonterra, Tourism New Zealand and Westland Milk Products.</p>
University of Canterbury	UC - MGMT228 Study tour to China	<p>15 candidates to undertake a 5.2-week University of Canterbury - MGMT228 Study tour to Zhejiang and Beijing, China.</p> <p>Participants experience Chinese Culture, customs and business practices first hand. On completion of the course they have some basic Chinese language skills as well as strong awareness of the cultural, social and regulatory complexities of doing business in China.</p>
Waikato Institute of Technology (Wintec)	Wintec - Inha University (Sth Korea) collaboration	<p>6 candidates undertake a 17-week Wintec- Inha University collaboration in South Korea.</p> <p>Students cover the following courses: Creative Engineering Design, Thermodynamics II, Fluid Mechanics 1 and Korean Language ((15 credits) - designed for international students. This covers a variety of aspects of Korean including reading, listening, speaking and writing skills at different levels to meet the various need of students.</p>
